Your Personal Marriage Analysis

What Your Future Partner May Be Like

The partner profile below is limited to the qualities most clearly supported by the Lagna and Navamsa charts.

Educated and sensible

Jupiter is the seventh-house lord and is strong in its own sign Pisces in the Lagna chart. Therefore, the partner may value knowledge, good judgement and responsible decisions.

Affectionate and refined

Venus is exalted and placed with Jupiter, the seventh-house lord, in the Lagna chart. This suggests a partner who may value affection, respectful behaviour, comfort and harmony.

Communicative, but sometimes unsure

Mercury is joined with Jupiter and Venus in Pisces in the Lagna chart. The partner may value intelligent conversation but may sometimes take time to express feelings or make a firm decision.

Practical about adjustment

The Navamsa seventh lord Mercury is placed in the sixth house. The partner may take responsibilities seriously, while both people may need patience when adjusting to routines, expectations and family roles.

Your Upcoming Dasha Analysis

Marriage opportunities can become stronger or weaker as the Mahadasha, Antardasha and Pratyantardasha change. The table below explains the current Pratyantardasha and the next 9 Pratyantardasha in simple terms, so you can understand when discussions, commitment or extra caution may be more likely.

Mahadasha-Antardasha-Pratyantardasha	Period	What This Period May Mean for Marriage
Rahu-Saturn-Venus (Current)	June 2026 - December 2026	A supportive period for introductions, serious discussions and progress in a relationship. Venus supports marriage, although Saturn may keep the process slow and careful.
Rahu-Saturn-Sun	December 2026 - February 2027	Personal values and family expectations may become more important. This is useful for setting clear expectations, but avoid ego clashes or pressure from authority figures.
Rahu-Saturn-Moon	February 2027 - May 2027	Emotional and family involvement may increase. It can support deeper conversations or restart a delayed proposal, but decisions should not be made under emotional pressure.
Rahu-Saturn-Mars	May 2027 - July 2027	Attraction and initiative may increase, but impatience or disagreements are also possible. Calm communication will be important before making a commitment.
Rahu-Saturn-Rahu	July 2027 - December 2027	An unexpected or unconventional proposal may come through an online, distant or unfamiliar connection. Verify the person, family circumstances and practical details carefully.
Rahu-Saturn-Jupiter	December 2027 - April 2028	A strong bridge period for a serious proposal, family agreement or commitment. Jupiter rules the seventh house, although Saturn may still make the process gradual.
Rahu-Mercury-Mercury	April 2028 - September 2028	Mercury activates the main marriage combination in the Lagna chart. Introductions, communication and formal discussions can move forward more strongly.
Rahu-Mercury-Ketu	September 2028 - October 2028	A short period of review may bring doubts or reveal an important mismatch. Use this time for clarity instead of forcing a decision.
Rahu-Mercury-Venus	October 2028 - March 2029	This is the strongest period in the timeline. Mercury activates the marriage combination, while exalted Venus strongly supports commitment, engagement or marriage.
Rahu-Mercury-Sun	March 2029 - May 2029	Decisions developed in the previous period may become formal. Family approval and shared values will matter; handle pride or different expectations carefully.

Factors That May Delay Marriage

The chart shows factors that may slow marriage discussions or finalisation, but these factors do not indicate permanent denial of marriage.

Adjustment and overthinking

Ketu is placed in the seventh house of the Navamsa, while the Navamsa seventh lord Mercury is in the sixth house. This can bring over-analysis, temporary detachment or difficulty accepting a proposal that looks suitable on paper.

Slow decisions during Rahu–Saturn

Rahu Mahadasha and Saturn Antardasha are active on the report date. Family duties, career conditions or repeated discussions may therefore slow the move from a proposal to final commitment.

Differences in family expectations

Rahu and Ketu occupy the second and eighth houses respectively in the Lagna chart. Differences involving family background, traditions, finances or living arrangements may therefore need honest discussion.
